A LOOK AHEAD TO TERM 6

As we look forward to dancing our way to the end of term, we are also excited to begin looking ahead to next term's learning.

Our Term 6 topic is "Legends, Leaders and Lifesavers: Heroes from the Past." Across the school, children will explore a wide range of historical themes, from ancient civilisations and castles to influential nurses and inspiring historical figures.

You can find the Discovery Questions below, and further information about the topic will be available on our website at the start of the new term.

To launch our Hook Week activities, we will be holding a **Rainbow Day on Friday 5th June**. Children are invited to come dressed as either:

- a historical figure from any period in history (this does not need to match your child's year group focus. Please don't feel the need to buy anything new; simple costumes made from items already at home are absolutely perfect.) **or**
- a keen historian, wearing their own clothes and ready to ask questions about the past!

We look forward to seeing the children's creative costumes and beginning another exciting topic together.

What can we learn from the past as we get ready for the future?

What were castles for and who lived in them?

What impact have nurses made to Britain over time?

How do we know about the Ancient Shang Dynasty and what can we learn from them?

What made Ancient Egypt such a unique civilization and how did it shape the world?

What aspects of Greek society are still relevant today and why?

How does Ancient Benin compare to other ancient civilisations?

Indigo Classes blog

We will be holding a **parent information meeting** regarding the **Kent Test on Wednesday 10th June at 2.45pm** in the main school hall

Kent Test

For children starting secondary school in September 2027

If your child is currently in Year 5, and you intend to apply to a Kent Grammar school, register online at kent.gov.uk/kenttest

Registration opens on 1 June 2026 and closes at midnight on 1 July 2026

Who is the Kent Test for?

The Kent Test is for children who wish to apply for a Kent Grammar school place for September 2027 and are either resident in the UK or are the children of UK Service Personnel / other Crown Servants returning to the UK. A list of Kent Grammar schools can be found [here](#). Schools in Medway, Bexley and Bromley are outside the Kent Local Authority area. If you live outside Kent, please consider carefully before registering whether your child can attend the testing session in Kent, and how they would travel to school if they were offered a school place in Kent.

How do I register for the Kent Test?

Go to kent.gov.uk/kenttest and create an online account for yourself as parent/guardian. Add your child's details to your account to start the registration process. When you have completed and submitted your registration you should get a confirmation email. If you do not, the registration may not have been completed correctly. (Tip: Please check your junk/spam folder for the email before contacting us!)

What if my child has access requirements?

If your child has a disability or SEN which will affect their access to testing, you should discuss this with their primary school before registering them, as the school will need to apply for any necessary access arrangements. Requests will not be accepted after 1 July 2026.

What happens after I register?

If your child attends a school outside Kent, we will email you details of their test centre by the end of August. Let us know if after registration you move house, change your email address or your child changes primary school. Otherwise, their test papers may go to the wrong place, or you may not get their results.

How do I apply for a Kent Grammar school?

You apply by naming the school as a preference on your Local Authority's secondary application form.

If my child is assessed suitable for grammar school by the Kent Test, will I automatically be offered a grammar school place?

No, a Kent Grammar school assessment does not guarantee your child a place in a Kent Grammar school. Grammar schools are often oversubscribed, meaning more children apply than the school has room for. Oversubscribed schools use their admission criteria to rank applicants in priority order, so it's important to check the admission criteria for schools you are interested in. A Kent Grammar school can only consider your child for a place if you have named it on your application and your child has been tested and assessed suitable for admission. If your child is not offered a place at the school, you can appeal to an Independent Appeal Panel and may be able to add them to the school's waiting list.

Key dates

Monday 1 June 2026	Registration opens at kent.gov.uk/kenttest . You will receive a confirmation email when registration is complete.
Wednesday 1 July 2026	Registration closes at midnight. If your child attends a school outside Kent, you will receive an email by the end of August with your Allocated Test Centre.
Thursday 10 September 2026	Children who attend a Kent primary school sit the test in their school.
Saturday 12 September 2026 / Sunday 13 September 2026	Children who attend primary schools outside Kent or are Educated at Home sit the test in a Test Centre.
Thursday 15 October 2026	Kent Test Decisions emails are sent after 4pm to the email address used to register the child.

Need help?

Further information about the test and about transport to grammar school for low-income families can be found on our website at kent.gov.uk. If your child is outside the age range for the test, or cannot take the test on a Saturday please email kent.admissions@kent.gov.uk.

For help registering please email kentadmissions@kent.gov.uk. Only one registration per pupil will be accepted. If you apply online, do not complete any other form of registration. Keep your login details safe and use the email address you registered from for all communication with the team.

Fulston Manor are holding a taster day for students currently in YEAR 5 on 26th June. Please click the photo for further information.

If you would like your child to attend, this will be authorised but you will need to let us know by completing [this form](#) please.

Information for ALL Tunstall Families,

Across the school year, we offer regular **Tunstall Inclusion Sharing Sessions** whereby parents and carers have the opportunity to book a 15-minute slot for a discussion or to seek advice about their child/children in relation to special education needs or wellbeing.

NB: Please continue to contact your child's class teachers regarding class-based queries, by emailing the main office (office@tunstall.kent.sch.uk). For any other queries, please also contact the main office and our team will be able to direct you to the appropriate person if you are not sure who to contact.

We will share a reminder in our Tunstall Times with a list of sessions for the term. You will be able to book a session within an allotted time, using the link shared.

Should a session be oversubscribed, parents/carers will be allocated on a first-come, first-served basis.

You will then receive an email confirming your individual time. Along with this reply, you may be asked to complete a brief Inclusion Sharing Form, to ensure your session is solution focused and enable additional staff members to join your session, if appropriate.

If you find you can no longer attend your individual time, we would appreciate it if you could let Miss Rogers know at your earliest convenience via email: s.rogers@tunstall.kent.sch.uk

These sessions will not replace the scheduled meetings that Miss Rogers, as the Inclusion Manager, has with parents regarding paperwork reviews or ongoing explorations.

Tunstall Inclusion Sharing Sessions will be offered on various days to create accessibility for all families.

Term 6 sessions:

Thursday 11th June between 9:30am-10:30am

Tuesday 23rd June between 2:00pm-3:00pm

Thursday 9th July between 10:00am-11:00am

Please click on the link below, if you wish to book a **Tunstall Inclusion Sharing Session**, on one of the above dates. Simply enter your answer with YOUR NAME, YOUR CHILD'S NAME and YOUR EMAIL ADDRESS (see example below for clarification):

<https://forms.office.com/e/jZAq22qD3q>

Miss Sarah Rogers, Inclusion Lead—

REGULAR REMINDERS

Meal balances should be sufficient to cover the cost of a school lunch prior to one being ordered and not run in arrears. Any balances of £10 or more overdrawn will result in parents/carers being asked to provide a packed lunch for their child until the account reverts to credit. Thank you for your understanding and if you require any assistance, please contact the school office. To check your child's balance, please log in to your Arbor account and top up where necessary.
[School Lunches - Tunstall C of E Primary School](#)

Any unnamed items that have not made their way back to their owners, will be donated to the PTA second-hand uniform. If you are missing any items, please ensure the lost property trolley is checked as soon as possible.

We kindly ask that you check your child's hair regularly for head lice, as this helps us keep everyone healthy and comfortable at school. Head lice are very common among children and are nothing to be embarrassed about.

If you do find any signs of lice, please treat your child and the whole family as soon as possible. This helps prevent reinfestation and keeps them from spreading further. Once treatment has started, children are able to return to school and attend as normal. We would also appreciate it if you could email the school office to let us know, so we can take any necessary steps to support our school community. To help reduce the risk, we strongly recommend that long hair is kept tied back during school hours.

Thank you so much for your continued support and cooperation. Working together makes a big difference!

Email communication

Please be aware that any emails sent outside "office hours" (8am - 4pm, Monday to Friday in term time only) will be dealt with the next working day. Staff are not expected to respond to emails out of working hours/out of term time. We aim to respond to parental emails within 48 hours but please do understand that teachers may need a working day or two to respond to emails as schedules are very busy at School, and the answer may involve meeting with other teachers, staff or students who may have valuable input. Under normal circumstances, staff will look to resolve an issue within 5 working days. More complicated issues may take longer to fully and effectively resolve.

Administering medicine in school If your child requires medicine in school, please complete the attached parental consent form to allow staff to administer it. Thank you.
